

Save The Date

Asthma and Lead Prevention Training for Medical Professionals

Organized by the Asthma Network of West Michigan and the Healthy Homes Coalition of West Michigan

**Friday, March 12, 2010
8:00am – 4:00pm**

Prince Conference Center
Calvin College
3201 Burton Street, SE
Grand Rapids

Come learn current best practices from experts in the field. Hands-on learning!

This training is designed for nurses, medical assistants, physician's assistants, medical office managers, community health workers, medical social workers, and others.

Come to this training and learn:

- How to detect, treat and prevent childhood lead poisoning.
- How to help children manage their asthma.
- Practical steps your practice can take to improve health outcomes.

Contact Hours for Nurses are pending for this training.
