800 Homes Made Lead-Safe in GR

The City of Grand Rapids' Get the Lead Out! lead hazard control program just completed work on its 800th home. The program, which began in January 2005, has protected hundreds of Grand Rapids children from lead poisoning.

Special congratulations goes out to the City of Grand Rapids Housing Rehabilitation Office and Get the Lead Out! program partners Home Repair Services, Lighthouse Communities, and the Rental Property Owners Association.

The Healthy Homes Coalition is proud to be partnering with these successful organizations.

If you are a homeowner or landlord and would like to apply, visit www.GetTheLeadOutGR.com.
